RIDERS

1. The minimum age for participation is 15 years of age.

MEDICAL

1. Riders must ensure that they are in good health and well trained. Provide a fitness certificate by a recognised physician/doctor.
2. The race organisers reserve the right to prevent a rider from continuing the race on receipt of medical advice from an official race medic or any other medical doctor recognised by the race organisers. The decision of the race organisers in this regard shall be final.

BICYCLES

1. Only mountain bikes in good working order and 'race ready' at the start of each stage will be allowed to start that stage.
2. For purposes of rule 'race ready' means the following:
3. The front number board is securely fitted and visible from the front.
4. The frame marking is displayed as per instructions received at registration.
5. The bike is in safe working order, as determined in the discretion of the race director.
6. Handlebar ends and handlebar extensions shall be plugged and must not have sharp or jagged edges.
7. Each rider is responsible for the maintenance of his/her own bike for the duration of the race.
8. In all cases of maintenance and repair, riders are required to complete the full distance of the stage and must complete the stage within the maximum permitted stage time. Time spent on maintenance and repair will thus not entitle a rider to any extension of the maximum stage time.
9. Event sticker is compulsory on bikes.

HELMETS AND CLOTHING

1. Each rider must wear a helmet at all times while riding during the race.
2. All helmets must comply with international standards.
3. Appropriate riding attire must be worn at all times and the race jersey at the start and finish.
4. All other riders will have to wear cycling jerseys. Infringement of this rule may lead to 30-minute penalties or even disqualification from the race.

RIDER IDENTIFICATION

1. All riders must display their race numbers at all times.
2. Bike numbers must remain firmly fixed on the front and rear of the bike, and should not be obscured by cables or any other item.
3. Back numbers must be attached to the rider at all times in a visible position either on the rider's jersey or on the back of his/her hydration pack. A Rider will not be penalized if his/her number is obscured while wearing a rain jacket.
4. Race numbers should not be modified or mutilated in any way, including cutting, adding stickers, removing existing stickers or trimming.

STAGE STARTS

Rider(s) reporting late at the start zone will be penalized 1 min-per-min delay for first 15 minutes and 2 min-per-min delay for next 15 minutes after which for any further delay, the rider(s) will be disqualified from the race.

ROUTE AND STAGES

1. Riders must complete the full designated route & distance of all stages.
2. Only riders who complete each of the stages within the maximum stage time will qualify as official race finishers.
3. The actual race distance or route may vary from the published or briefed distance.
4. A rider must at all times follow the official route, obey the directions of the course marshals, and may not take any shortcuts or take another advantage of a similar nature against competitors. The responsibility for following the official route lies with each rider.
5. Riders who exit the route for any reason, must return to the course at the same point from which they exited, otherwise, it would lead to disqualification.
6. Any walking, running or riding by a rider, which is carried out without the intention of directly re-joining the route, or any other activity in breach of the rules, which takes place outside of the marked course area, is not permitted.
7. No rider shall trespass at any time on land which is not open to the public for mountainbiking & which does not form a part of the race route.

DISCLAIMER

1. Participation in *MTB TAWANG CHALLENGE 2024-25* occurs strictly at one's own risk. The liability of the event organizers (including third party claims) is limited to deliberate intent or gross negligence. This also applies to any of the auxiliary persons or vicarious agents that are deployed in the event by the race organizer.
2. The race organizers cannot be held liable for any fault in services that are the result of statutory provisions or official directives, which prevents the rider from riding in the event altogether or in part.
3. The race organizers cannot be held liable for participant's lost or stolen clothing, valuables or equipment. Participants are advised to carry adequate insurance.
